

Continuation of Substance of Interview including description of the general nature of what was discussed: Mr. Levine (applicant and appellant) acknowledged the identified informalities contained in the Appeal Brief filed August 6, 2003. He requested and authorized to correct the informalities by the Examiner's Amendment. In an attempt to assist an application filed by an applicant, the examiner has rewritten the Appeal Brief and faxed to him. The applicant understands that he needs to resubmit the Appeal Brief with an appropriate fee. Please see the attached clean version of the Proposed Appeal Brief with corrections.
